Investing constructive capital

2026

This document contains privileged and confidential information and cannot be transmitted or communicated without La Caisse's prior consent.

Cautionary statements

This presentation (and the accompanying oral presentation, if applicable) contains forward-looking statements within the meaning of applicable securities legislation. Forward-looking statements are typically identified by words such as “projected,” “estimate,” “may,” “anticipate,” “believe,” “expect,” “plan,” “intend,” “could” or similar words suggesting future outcomes or statements regarding an outlook (and the negative form thereof). All statements other than statements of historical fact contained in these slides are forward-looking statements.

Forward-looking statements involve numerous assumptions, risks and uncertainties. A variety of factors, many of which are beyond the control of La Caisse, may cause actual results to differ materially from the expectations expressed in its forward-looking statements. These factors include, but are not limited to, risks related to financial markets and economic conditions in Canada, the United States and internationally, changes in standards, laws and regulations, risks related to defaults by financial institutions, risks related to financial instruments, fluctuations in interest rate levels, increased competition for assets, fluctuations in investment returns, foreign exchange rate fluctuations, adverse changes in the credit markets, the risk of damage to La Caisse's reputation, La Caisse's ability to access the capital markets for debt financing, changes in the real estate and infrastructure markets in Canada, the United States and elsewhere, and risks more generally associated with the markets and La Caisse's portfolios of investments.

La Caisse does not undertake to update any forward-looking statement, whether written or oral, that may be made from time to time by or on its behalf.

No information presented in this presentation and the accompanying oral presentation as of a date more recent than December 31, 2025 has been audited and only the consolidated financial statements of La Caisse as at December 31, 2025, and for the year then ended have been audited.

The information on, or accessible through, our website or any of the other websites or links to websites referred to in this presentation, is not part of or incorporated by reference into this presentation.

Under no circumstances should the information contained herein be considered an offer to sell or a solicitation of an offer to buy any security of La Caisse, CDP Financial Inc. (“CDP Financial”) or any of their respective affiliates in the United States or in any other jurisdiction where such offer or solicitation would be unlawful, and such information does not constitute an offer to sell or a solicitation of an offer to buy or an advertisement in respect of securities in any province or territory of Canada. Any offer to sell or solicitation of an offer to buy securities of La Caisse, CDP Financial or their respective affiliates in the United States may not be made absent registration under the Securities Act of 1933, as amended (the “Securities Act”), or an exemption from registration under the Securities Act. Any offer of securities of La Caisse, CDP Financial or their respective affiliates will be made pursuant to a private offering memorandum.

The ratings presented in this document are not a recommendation to buy, sell or hold securities and may be subject to revision or withdrawal at any time.

Unless otherwise indicated, data is presented as at December 31, 2025, and amounts are in Canadian dollars. Totals may vary due to rounding. Figures for geographic allocations are based on total investments, adjusted for financial and derivatives exposure.
